

Working towards the preservation of an ecologically sound Lake Maxinkuckee and its surrounding watershed

Blue Green Algal Bloom at Lake Maxinkuckee

Regardless of whether toxins are present or not, the protocol for swimming in freshwater lakes is the same:

- Don't ingest the water
- Avoid contact with visible algae or algal scums
- Shower or bathe with warm, soapy water when you are finished

Rain Barrel Program Off to a Great Start!

As previously reported, LMEF received funds from Nipsco for a NEW rain barrel program available to anyone with a Culver address. Twenty-five barrels have been given away so far!

Collecting rainwater is one of the easiest steps you can take to make a positive ecological impact.

Contact the LMEF office to find out how you can get your **FREE** rain barrel and adapter kit. We can even help with installation.

STREAM TEAM

With funds provided by the Ralph C. Vonnegut Jr. Fund, stream monitoring

equipment was purchased.

Here is the volunteer Stream Team at a recent training session.

LMAX Stickers

Show your support of the Lake Maxinkuckee Environmental Fund. LMAX stickers available at the office for \$5.00.

Stickers provided by Sturman Real Estate Services. All proceeds go to LMEF annual fund.

2021 Fundraising Campaign Underway

LMEF's outreach, education, water monitoring, research and advocacy would not be possible without the support of our dedicated donors.

We rely on your gift to help support our mission:

Working towards the preservation of an ecologically sound Lake Maxinkuckee and its surrounding watershed.

It's easy to give today, simply click the Donate button!

Or send your check to:

LMEF
PO Box 187
Culver, IN 46511

Get Your Swag Bag!

Show your support of the Lake Maxinkuckee Environmental Fund with our reusable cotton tote.

Board members will soon be delivering bags, filled with useful lake information, to your doorstep.

Or stop by the LMEF office and pick one up.
